Administrative Procedure - Accommodating Transgender, Nonbinary, or Gender Nonconforming Students

This procedure's accommodation and support guidelines advance the District's goals of: (1) providing all students equal access to a safe, non-hostile learning environment, and (2) implementing risk management controls in a developing and unsettled area of the law in which the federal Office of Civil Rights (OCR) and Dept. of Justice (DOJ) have issued guidance.

While there is no mandate requiring procedures for accommodating transgender, nonbinary, and gender nonconforming students, this procedure guides school officials through the: (1) application of State and federal anti-discrimination laws to this student population, and (2) common needs for which transgender, nonbinary, or gender nonconforming students may request accommodations and support at school. This procedure applies to all school activities, school-provided transportation, and school-sponsored events regardless of where they occur.

The Building Principal, Nondiscrimination Coordinator, and/or Complaint Manager, with input from others as appropriate, will implement this procedure. They will work with each transgender, nonbinary, or gender nonconforming student, and as appropriate with the student's parent(s)/guardian(s), to manage a student's accommodations and supports on a case-by-case basis. The Board Attorney will be consulted concerning legal compliance.

Gender-Based Discrimination Is Prohibited

School districts must provide equal educational opportunities to transgender, nonbinary, and gender nonconforming students. Under State law, *sex discrimination* extends to claims of discrimination based on *sexual orientation* and *gender identity*. 775 ILCS 5/5-101(11); 23 Ill.Admin.Code §1.240. The Ill. Human Rights Act defines *sexual orientation* as the "actual or perceived heterosexuality, homosexuality, bisexuality, or gender related identity, whether or not traditionally associated with the person's designated sex at birth." 775 ILCS 5/1-103(O-1). The Act permits schools to maintain single-sex facilities that are distinctly private in nature, e.g., restrooms and locker rooms. 775 ILCS 5/5-103.

Federal law prohibits exclusion and discrimination on the basis of sex. 20 U.S.C. §1681(a), Title IX of the Education Amendments of 1972. The U.S. Dept. of Education has taken varying positions on the application of Title IX to transgender or gender nonconforming students depending upon the administration in power. However, the Seventh Circuit U.S. Court of Appeals (which has jurisdiction over the State of Illinois) has ruled that a school's practice of denying a transgender student access to the bathroom that aligned with his gender identify violated Title IX because it was a sex-based classification. See Whitaker by Whitaker v. Kenosha Unified Sch. Dist. No. 1 Bd. of Educ., 858 F.3d 1034 (7th Cir. 2017).

School Board policy 7:10, *Equal Educational Opportunities*, recognizes the legal requirements described above. This procedure's guidance on accommodating transgender, nonbinary, or gender nonconforming students is based on non-regulatory guidance from the Ill. State Board of Education (ISBE) and the Ill. Dept. of Human Rights (IDHR), as well as OCR pronouncements. See the last section, **Resources**.

Gender-Based Bullying and/or Harassment Prohibited

The laws prohibiting gender discrimination require the District to protect transgender, nonbinary, and gender nonconforming students from bullying and harassment by other students. Under Title IX of the Education Amendments of 1972 (Title IX), a school district is responsible for damages suffered by a student who was the victim of protected sex-based harassment: unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity. 34 C.F.R. §106.30(a). Board

policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, and its accompanying procedures are used to address sex-based harassment as defined in Title IX.

The School Code prohibits bullying on the basis of actual or perceived sexual orientation, gender-related identity or expression, and/or association with a person or group with one of the aforementioned actual or perceived characteristics. 105 ILCS 5/27-23.7(a). The Board policy on bullying and the District's suite of bullying prevention materials are used to address and resolve peer bullying and harassment of transgender or gender nonconforming students. See 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*.

Terminology and Definitions

The District uses the following terms and definitions when discussing accommodations for a transgender, nonbinary, or gender nonconforming student (from the *Arcadia Resolution Agreement*, 7-24-13, at: www.justice.gov/crt/about/edu/documents/arcadiaagree.pdf and ISBE Non-Regulatory Guidance, *Supporting Transgender, Nonbinary and Gender Nonconforming Students*, at: www.isbe.net/supportallstudents). **Note:** Definitions are not intended to label students, but rather to assist with understanding. *Gender identity, sex assigned at birth, transgender, and gender transition* are defined slightly differently in a *Dear Colleague Letter* issued jointly by the U.S. Depts. of Education and Justice on 5-13-16 (see **Resources** below).

Gender-based discrimination – a form of sex discrimination, refers to differential treatment or harassment of a student based on the student's sex, including gender identity, gender expression, and nonconformity with gender stereotypes, that results in the denial or limitation of education services, benefits, or opportunities. Conduct may constitute gender-based discrimination regardless of the actual or perceived sex, gender identity, or sexual orientation of the persons experiencing or engaging in the conduct.

Sex assigned at birth and assigned sex – a label a person is given at birth, often based on a medical professional's interpretation of the newborn's physical characteristics. Common examples may be *male* or *female*. This is typically the sex reflected on one's original birth certificate.

Gender expression – an individual's characteristics and behaviors such as appearance, dress, grooming, mannerisms, voice or speech patterns, activities, and social interactions that are perceived as masculine, feminine, both, or neither.

Gender identity – a person's internal, deeply held sense or psychological knowledge of their own gender that can include being female, male, another gender, nonbinary, gender nonconforming, or no gender, and is unrelated to the person's sex assigned at birth. Gender identity is an innate part of a person's identity, and the responsibility for determining an individual's gender identity rests with the individual. Unlike gender expression, gender identity is not visible to others.

Nonbinary – a term used to describe people whose gender identity is not exclusively male or female, including those who identify as a gender other than male or female, as more than one gender, or as no gender.

Transgender – an individual whose gender identity is different from the individual's assigned sex at birth. Being transgender is not dependent on appearance, body parts, or medical procedures. Transgender can also be used as an umbrella term that encompasses diversity of gender identities and expressions. For purposes of this procedure, a *transgender student* is a student who consistently and uniformly asserts a gender identity different from the student's assigned sex, or for whom there is documented legal or medical evidence that the gender identity is sincerely held as part of the student's core identity.

Intersex – a term used for a variety of conditions in which a person is born with a reproductive and/or sexual anatomy that does not seem to fit the typical, binary definitions of female or male. Intersex conditions are not always discernable at birth or the awareness of internal anatomy present at birth may not be known to the person until puberty, if it is known at all. A derogatory term previously used for intersex individuals is hermaphrodite.

Gender transition – the process whereby people may change their gender expression, bodies, and/or identity documents to match their gender identity. Transition can be social (changing gender expression, using facilities, using a different name/pronouns), medical (hormones and/or surgeries), and/or legal (changing name/gender marker on identity documents), and is different for every individual. It is common for gender transition to be an ongoing process and is unique to each person.

Gender stereotypes – stereotypical notions of masculinity and femininity, including expectations of how boys or girls represent or communicate one's gender to others, such as behavior, clothing, hairstyles, activities, voice, mannerisms, or body characteristics.

Gender nonconforming or gender expansive – one's gender expression or gender identity that does not conform to traditional, societal, or stereotyped expectations based on the sex assigned at birth. Gender expansive individuals may identify as male, female, some combination of both, or neither.

Gender pronouns – the set of words used to refer to someone without using their name. Common examples include, but are not limited to, "she/her/hers," "he/him/his," "they/them/theirs," and "ze/zir/zirs."

Gender support plan – a document that may be used to create a shared understanding about the way in which a student's gender identity will be accounted for and supported at school.

Facilities – refers to facilities and accommodations used by students at school or during school-sponsored activities and trips, and include, but are not limited to, restrooms, locker rooms, and overnight facilities.

Common Needs for Transgender, Nonbinary, or Gender Nonconforming Students; Accommodations and Supports

The goal of an accommodation is to allow a transgender, nonbinary, or gender nonconforming student to equally participate in educational and extracurricular opportunities. The right of transgender students to accommodations is generally found in legislation (Ill. Human Rights Act and Title IX) but has not been fully interpreted by the courts. Determining appropriate accommodations must be made on a case-by-case basis depending upon the needs expressed by the student.

The Superintendent may establish a gender support team that will identify accommodations for a specific student. Those accommodations may be documented in a gender support plan or other written document. The Board Attorney should be consulted and may be invited to be a member of the team.

This following list of possible accommodation considerations is not exhaustive, and each student's request must be managed on a case-by-case basis. A particular student may not be interested in an accommodation for each item listed. Seek the Board Attorney's advice concerning the scope and extent of accommodations.

1. Gender transition
2. Names and gender pronouns. See *Kluge v. Brownsburg Cmty. Sch. Corp.*, 432 F.Supp.3d 823 (S.D.Ind. 2020) (upholding discipline of a teacher for violating written policy requiring employees to address students by their preferred names and genders).
3. School student records

For managing demographic information in the ISBE Student Information System, see www.isbe.net/Documents/student_demographics.pdf.

ISBE has postponed the collection of student sex and sexual orientation data, required by the Data Governance and Organization to Support Equity and Racial Justice Act (20 ILCS 65/20-15), until the 2023-24 school year. See www.isbe.net/Documents/Memorandum-Collection-of-Student-Sex-Sexual-Orientation.pdf.

4. Student privacy and confidentiality
5. Access to gender-segregated areas, e.g., locker rooms and restrooms
6. Sports and physical education classes - participation in competitive athletic activities and contact sports is resolved pursuant to IHSA policy #34, *Policy and School Recommendations for Transgender Participation* at: www.ihsa.org/About-the-IHSA/Constitution-By-laws-Policies.
7. Dress codes

8. Gender segregation in other activities, e.g., class discussions and field trips (including any overnight school trips)
9. Communication with a new school about gender-specific accommodations upon transfer or graduation

Training for School Staff Members

Professional development for staff members should include regular opportunities to gain a better understanding of equal educational opportunity laws, gender identity, gender expression, and gender diversity; the development of gender identity in children and adolescents; developmentally appropriate strategies for communicating with students and parents/guardians about issues related to gender identity; gender-affirming approaches to ensuring the safety and support of transgender, nonbinary, and gender nonconforming students; developmentally appropriate strategies for preventing and intervening in bullying incidents; and Board policies regarding equal educational opportunities, bullying, discrimination, and student privacy.
