ADMINISTRATIVE REPORTS:

Mr. Steve Stein, Superintendent, reported to the Board that he received three FOIAs for this month. One is from Mansfield Gas and Power requesting our power contracts and utility bills. Mr. Moore provide the information to them. Another FOIA from Julie Busich, requesting custodian hirings, postings and transfers. Mr. Stein stated that he had to consult with our attorney firm for this FOIA and we decided that this was a voluminous request and sent that information to Julie Busich. Mr. Stein stated that he has not heard back from Mrs. Busich. Another FOIA request from Moira Burke, for emails from Amy Loy and other staff that was sent for this school year. This was another voluminous

FOIA request and this information was sent to Moira Burke but Mr. Stein has not heard anything back from Ms. Burke.

Mr. Trevor Moore, Business Manager, CSBO, reported to the Board that Mr. Moore that the District received its preliminary tax extension from Will County the morning of the meeting. The overall increase in taxes the District expects is about \$302,000. Mr. Moore noted that this is just slightly higher than he projected during the tax levy process and is mostly due to the new property value coming in slightly higher than projected in the fall.

Mr. Moore also let the Board know about a change to the District's health insurance plans for next school year. He and Mr. Stein took part in discussions on how to minimize a sizable increase to premiums for next year and one solution that was explored was removing two of the four HMO plans. These two plans are more expensive and none of Peotone's employees take advantage of their expanded provider network they provide. Essentially, employees in these two plans chose a more expensive option for no additional benefit. Mr. Moore and Mr. Stein worked with the Peotone Teachers Council to determine who would be affected by this change and all came to an agreement that this will be best for the District and employees moving forward. Additionally, the current PPO plan will undergo a few changes which benefit employees. There is no cost savings to this change. More information about these plans will go out to employees towards the end of summer for an effective date of September 1, 2022.

Mr. Brandon Owens, Director of Curriculum and Instruction, reported to the Board:

ASCD Conference:

This past weekend, Brandon attended the National ASCD (Association for Supervision and Curriculum Development) Conference in Chicago and had the opportunity to gain some great insight on instructional practices, social-emotional strategies, and curriculum implementation and look forward to bringing some of that information into practice in our district.
