Re: Military Recruiters and Postsecondary Institutions Receiving Student Directory Information

Dear Parents/Guardians:

From time-to-time, military recruiters and postsecondary educational institutions request the names, telephone numbers, addresses, and electronic mail (email) addresses of our secondary students. The school must provide this information unless the parent/guardian, or the student if he/she has attained the age of 18, submits a written request that the student's records not be released without their prior written consent.

**Important:** If you do not want military recruiters or institutions of higher learning to be given your secondary school student's name, address, email address, and telephone number without your prior written consent, please complete the form below and return it to the Building Principal.

Sincerely,

Superintendent
