

DIRECTIONS TO FUND YOUR WALLET, USE THE WEBSTORE FOR PURCHASES, AND PAY REGISTRATION FEES

Once logged in to PushCoin, you will see the following Parent Dashboard:

The screenshot shows the PushCoin Parent Dashboard for a user named 'Student Demo' (ID: demo). The dashboard includes a sidebar with navigation options: Users, School fees, Cart, Transactions, Accounts, Settings, Help me..., and Sign out. The main content area is titled 'Linked users' and shows the user's profile with a 'Fund Wallet' button and a 'Pay fees' button. The 'Wallet balance' is \$-3.50 and the 'Fees balance' is \$-385.00. A 'Webstore' link is also visible. Three callout boxes provide instructions: 1. 'The **Wallet** is where you can deposit money for lunch accounts, or to pay for items in the Webstore. You do **not** use the Wallet for registration fee payments.' 2. 'At the **Webstore**, you can select specific items and pay for them with money in your Wallet, or with an electronic check (free) or credit card.' 3. 'This is where you pay **ONLY registration and course fees**. These fees are assigned based on grade level or enrolled courses. You do **not** use the Wallet for registration fee payments.'

In the **Webstore**, you can add items to your cart and then checkout to provide the required payment:

The screenshot shows the Peotone CUSD 207U Webstore interface. The header includes the school logo, name, a search bar, and a 'Checkout' button. The main content area displays a list of products: 'Baseball', 'Bowling', and 'Boys Basketball', each with a price of \$100.00 and an 'Add to cart' button. A sidebar on the left shows 'Peotone Schools' and 'Category' filters. Three callout boxes provide instructions: 1. 'You can search for an item here.' 2. 'Once you have added items to your cart, click Checkout to pay.' 3. 'You can add Baseball to your cart.'

If these are the correct items in your cart, select "Continue":
